Qualified & passionate Educators

Our team

Educators at YMCA Bibra Lake believe each child has their own unique essence that makes them special individuals that deserve to have a safe and nurturing environment to allow them to grow, learn, flourish and express themselves.

Children have the right to feel valued and it is important for them to feel a sense of belonging as this helps them in the development of who they will become. We understand that each child is different and we like to provide a welcoming space that is a supportive and safe environment for them to explore their own interests while having the opportunity to try new activities.

We understand that each child needs time to just "be", to play, to try new things, to explore their environment and to just have fun.

Operating times (Monday to Friday)

Before School Care 6:30am to School Starts

During the afternoon children will be offered a nutritious afternoon tea, the opportunity to complete any homework and join in on a range of age appropriate activities until children are collected.
