This service operates from 183 Jersey Street, Wembley. Enrolment costs are all inclusive of incursions, excursions, transportation, morning and afternoon tea.

We have a team of qualified and passionate Educators who are committed to providing a high quality and inclusive environment for all school aged children.

Operating times (Monday to Friday)

Before School Care 7:00am to School Starts

On a regular day in Before School Care, children are involved in quiet activities and are offered a healthy nutritious breakfast that helps prepare them for the school day ahead.

After School Care End of School to 6:00pm

During the afternoon children are offered a nutritious afternoon tea, the opportunity to complete any homework and join in on a range of age appropriate activities until children are collected. Educators work closely with children to develop a program that is based on their interests and skill level.

Please ensure that your child is collected prior to 6pm, due to staffing requirements late fees will apply to families who collect their children after this time.

What our parents say about YMCA OSHC

Love the parent afternoon teas the service has and the communication with parents about their child's progress. This makes going to work a lot less stressful when you know your child is happy and wants to go to OSHC.
