

KINROSS

Outside School Hours Care

YMCA Kinross OSHC provides Before and After School Care for children from Kindergarten to Year 6.

Kinross is a small service located on site at Kinross Primary School and provides care for up to 18 children during the Term. Enrolment costs are inclusive of morning and afternoon tea. We have a team of qualified and passionate Educators who are committed to providing a high quality and inclusive environment for all school aged children.

Our team

YMCA Kinross recognises the importance of families, educators and the community coming together to influence each child. We value building positive relationships and providing the child time to just 'be', through experiences that allow children to express their natural curiosity during play, discovery, creating, and imagining. The children are at the core of our program, they drive our learning experiences and environment. The children are encouraged to have fun, develop friendships and build on life skills. The educators love watching the children grow in body, mind and spirit.

Operating times (Monday to Friday)

Before School Care 7am to School Starts

On a regular day in Before School Care, children are involved in quiet activities that help prepare them for the school day ahead.

After School Care End of School to 6pm

During the afternoon children are offered a nutritious afternoon tea, the opportunity to complete any homework and join in on a range of age appropriate activities until children are collected. Educators work closely with children to develop a program that is based on their interests and skill level.

Please ensure that your child is collected prior to 6pm, due to staffing requirements late fees will apply to families who collect their children after this time.

What our parents say

The atmosphere at Kinross YMCA is awesome. My child has grown so much since starting here and I know that the staff have given him the best start to his life in social and school areas. I highly recommend any parent check out this facility when looking for an Outside School Hours Care.
