The service is located on site at Mercy College and provides care for up to 39 children every day. Enrolment costs are all inclusive of incursions, excursions, transportation, morning and afternoon tea. We have a team of qualified and passionate Educators who are committed to providing a high quality and inclusive environment for all school aged children.

### Our team

Here at YMCA Mercy, we develop strong relationships with children and families. From our welcoming, natural environment to our friendly smiles, our relationships build the foundation of our service. The Educators love watching our children grow and encourage individuality. Through play, the children learn, explore and discover their world.

### Operating times (Monday to Friday)

#### Before School Care 7am to School Starts

On a regular day in Before School Care, children are involved in quiet activities and are offered a healthy nutritious breakfast that helps prepare them for the school day ahead.

#### After School Care End of School to 6pm

During the afternoon children are offered a nutritious afternoon tea, the opportunity to complete any homework and join in on a range of age appropriate activities until children are collected. Educators work closely with children to develop a program that is based on their interests and skill level.

Please ensure that your child is collected prior to 6pm, due to staffing requirements late fees will apply to families who collect their children after this time.

#### Vacation Care 7am-6pm

Vacation Care provides fun school holiday programs for the thriving middle years. We provide morning and afternoon tea and go on exciting excursions such as roller skating, movies, bowling and ice skating at no additional cost.

### What our parents say

My son attended vacation care at YMCA Mercy and he loved the activities and outings and just playing sport with the other boys. He really loved having male play leaders who were great role models. Tony now volunteers at YMCA Mercy and hopes to work there when he's older as he enjoys coaching the younger boys in sport.
