During the afternoon children are offered a nutritious afternoon tea, the opportunity to complete any homework and join in on a range of age appropriate activities until children are collected. Educators work closely with children to develop a program that is based on their interests and skill level. What our parents say

Love the parent afternoon teas the service has and the communication with parents about their child's progress. This makes going to work a lot less stressful when you know your child is happy and wants to go to OSHC. - Vanessa
