## Health & Safety YMCAWA Commitment

YMCA WA is committed to providing a safe environment that does not place the health and safety of any persons at risk.

We will foster a positive culture where safety is valued and safe behaviour is encourage and respected.

YMCA WA seeks the commitment and support of all staff and guests to achieve and maintain a safe environment.

## **YMCA WA will:**

- comply with health and safety legislation standards
- develop, implement and maintain a health safety management system (HSMS)
- implement a risk management process that will ensure workplace hazards are identified, assessed, controlled and reviewed
- provide and maintain safe workplaces, equipment and systems of work
- provide health and safety information and training to staff
- consult on health and safety matters
